WINTER IS COMING—

Snow ordinances are in
effect.

(November 1-April 1)

Section 69.10 states:

No person shall park,
abandon or leave
unattended any
vehicle on a public street,
alley, or City-owned
off-street

operations
unless the snow has been

Winter Season Regulations

Sidewalks: It is the responsibility of the abutting property owner to remove snow, ice and accumulations promptly from sidewalks. If a property owner does not remove snow, ice or accumulations within a reasonable time, the City may do so and assess the costs against the property owner for collection in the same manner as a property tax.

Snowmobiles: Snowmobiles may be operated upon streets which have not been plowed during the snow season for the sole and exclusive purpose of using the most direct roadway for the ingress to and egress from the City. No snowmobile shall be driven on any roadway solely for entertainment or pleasure. Snowmobiles shall not be operated in any park, playground or upon any other City-owned property without the express permission of the City. A Snowmobile shall not be operated on any City land without a snow cover of at least one-tenth of one inch.

Dumping of Snow: It is unlawful for any person to throw, push, or place or cause to be thrown, pushed or placed, any ice or snow from private property, sidewalks, or driveways onto the traveled way of a street or alley so as to obstruct gutters, or impede the passage of vehicles upon the street or alley or to create a hazardous condition therein; except where, in the cleaning of large commercial drives in the business district it is absolutely necessary to move the snow onto the street or alley temporarily, such accumulation shall be removed promptly by the property owner or agent. Arrangements for the prompt removal of such accumulations shall be made prior to moving the snow.

Snow Removal: A peace officer is authorized to remove, or cause to be removed, a vehicle from a street or highway, alley, parking lot to the nearest garage or other place of safety when any vehicle is left parking in violation of a ban on parking during snow removal operations.

Also, please help keep snow removed from around fire hydrants.
